Model:

129L Trimmer

Features:

Home Owner

28cc Engine

Straight Shaft

Professionals turn to Husqvarna for powerful engines that make tough jobs easy. With the 129L, that power is available to consumers as well. The 129L features a powerful 27cc engine and professional quality -- combined with a focus on ease of use. It is easy to start thanks to Smart Start(r), intuitive controls and the automatic stop return switch -- a feature that automatically resets to the ON position for trouble-free starting. The 129L comes with a straight shaft for better reach, e.g. under bushes.

Intuitive controls-

The choke and purge are easy to reach and understand.

Auto return stop switch-

Stop switch automatically resets to the ON position for easier starting.

Air Purge-

Removes air from carburetor and fuel system for easy starting.

Grass bevel gear-

Bevel gear designed with high torque and the cutting equipment parallel to the ground for best cutting performance

Smart Start-

The engine and starter have been designed so the machine starts quickly with minimum effort.
